*Oasis*

Today is gonna be the day  
That they're gonna throw it back to you  
By now you should've somehow  
Realised what you gotta do

I don't believe that anybody feels the way I do about you now

Back beat, the word is on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt

I don't believe that anybody feels the way I do about you now

And all the roads we have to walk are winding,  
And all the lights that lead us there are blinding,  
There are many things that I would like to say to you  
But I don't know how

*Because maybe,  
You're gonna be the one that saves me,  
And after all,  
You're my wonderwall*

Today was gonna be the day  
But they'll never throw it back to you  
By now you should've somehow  
Realised what you're not to do

I don't believe that anybody feels the way I do about you now

And all the roads that lead you there were winding  
And all the lights that light the way are blinding  
There are many things that I would like to say to you  
But I don't know how

*2 x I said maybe, you're gonna be the one that saves me...*

I said maybe,  
You're gonna be the one that saves me  
You're gonna be the one that saves me  
You're gonna be the one that saves me

## **Hallelujah**

*Leonard Cohen*

I heard there was a secret chord  
That David played, and it pleased the Lord  
But you don't really care for music, do you?  
It goes like this, the fourth, the fifth  
The minor fall and the major lift  
The baffled king composing Hallelujah

*Hallelujah, Hallelujah  
Hallelujah, Hallelujah*

Your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew you  
She tied you to a kitchen chair  
She broke your throne, and she cut your hair  
And from your lips she drew the Hallelujah

*Hallelujah...*

Baby I've been here before  
I've seen this room and I've walked this floor  
You know I used to live alone before I knew ya  
And I've seen your flag on the marble arch  
And love is not a victory march  
It's a cold and it's a broken Hallelujah

*Hallelujah...*

Well, maybe there's a God above  
But all I've ever learned from love  
Was how to shoot somebody who outdrew you  
But it's not a crime that you're here tonight  
It's not somebody who's seen the Light  
It's a cold and it's a very broken Hallelujah

*Hallelujah...*

## Barndommens Gade

Anne Linnet

Jeg er din barndoms gade  
Jeg er dit væsens rod  
Jeg er den bankende rytme  
I alt hvad du længes mod  
Jeg er din mors grå hænder  
Og din fars bekymrede sind  
Jeg er de tidligste drømmes  
Lette, tågede spind

Jeg gav dig min store alvor  
En dag du var vildt forladt  
Jeg dryssed' lidt vemod i sindet  
En drivende regnvejrsnat  
Jeg slog dig engang til jorden  
For at gøre dit hjerte hårdt  
Men jeg rejste dig varligt op igen  
Og tørrede tårerne bort

Det er mig der har lært dig at hade  
Jeg lærte dig hårdhed og spot  
Jeg gav dig de stærkeste våben  
Du skal vide at bruge dem godt  
Jeg gav dig de vagtsomme øjne  
På dem skal du kendes igen  
Møder du en med det samme blik  
Skal du vide han er din ven

*Jeg er din barndoms gade  
Jeg er dit væsens rod  
Jeg gav dig de vagtsomme øjne  
På dem skal du kendes igen  
Møder du en med det samme blik  
Skal du vide han er din ven*

Og hører du renere toner  
Stemt til en skønnere sang  
Skal du længes efter min stemmes  
Sprukne og kejtede klang  
Fløj du så vidt over lande  
Og voksede du fra din ven?  
Jeg er din barndoms gade  
Jeg kender dig altid igen

## **I Will Survive**

*Gloria Gaynor*

At first I was afraid, I was petrified  
I kept thinking' I could never live without you by my side  
But then I spent so many nights thinking how you did me wrong  
And I grew strong, and I learned how to get along

And so you're back, from outer space  
I just walked in to find you here with that sad look upon your face  
I should have changed that stupid lock, I should have made you leave your key  
If I had known for just one second you'd be back to bother me

Go on now go, walk out the door  
Just turn around now, you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye?  
Did you think I'd crumble? Did you think I'd lay down and die?

*Oh no not I, I will survive*  
*Oh as long as I know how to love, I know I'll be alive*  
*I've got all my life to live, I've got all my love to give*  
*And I'll survive, I will survive, hey, hey...*

It took all the strength I had not to fall apart  
Kept tryin' hard to mend the pieces of my broken heart  
And I spent oh so many nights just feelin' sorry for myself  
I used to cry, but now I hold my head up high

And you'll see me, somebody new  
I'm not that chained-up little person still in love with you  
And so you felt like dropping in and just expect me to be free  
But now I'm saving all my lovin' for someone who's lovin' me

Go on now go, walk out the door  
Just turn around now, you're not welcome anymore  
Weren't you the one who tried to break me with goodbye?

I sit and wait  
Does an angel contemplate my fate  
And do they know

That salvation lets their wings unfold

So when I'm lying in my bed  
Thoughts running through my head  
And I feel the love is dead  
I'm loving angels instead

*And through it all  
She offers me protection  
A lot of love and affection  
Whether I'm right or wrong*

*And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call  
She won't forsake me  
I'm loving angels instead*

When I'm feeling weak  
And my pain walks down  
a one way street  
I look above  
And I know I'll always be  
blessed with love

And as the feeling grows  
She breathes flesh to my bones  
And when love is dead  
I'm loving angels instead
